Full Bio

A few Ethiopians have built multi-million and billion dollar empires in industries as diverse as agriculture, food, construction, energy and distribution and earned multi-million dollar fortunes to boot. Their names don't ring with the African public, and you've probably never heard about them before, but they are very successful – and very wealthy. Meet 5 Ethiopian entrepreneurs, who own businesses with annual revenues of \$50 million or more.

Buzuayehu T. Bizenu
